Sufficient.**

You must contact the LTAP office to  
cancel your registration at least **five**  
days prior to the workshop. No-  
shows will be billed. Substitutions  
are gladly accepted.

### Workshop Descriptions:

•**Monday: Work Zone Technician** is a combination of lecture, manuals, video and hands-on problem solving. The five parts of a Traffic Control Work Zone will be discussed. Flagging duties and responsibilities will be taught. Safety, uniformity and liability issues will also be covered in this workshop.

- Participant must have a **current Flagger Card (Montana, Idaho, Oregon, Washington, or ATSSA).**
- Participant must submit **2 verification letters from supervisors verifying 2,000 Hours [1 Year] of Temporary Traffic Control Experience with registration forms.**

•**Tuesday & Wednesday: Traffic Control Supervisor course** is 2 days and will cover Traffic Control Standards, Fundamental Principles, Traffic Control Devices, and components of the Temporary Traffic Control Zone. A score of 80 percent is needed to pass the exam. Participants must meet the following requirements to become TCS certified. The first four items must be received at the Montana LTAP office **before** certifications will be issued for TCS:

- 4,000 Hours (Two Years) of Verified of Temporary Traffic Control Experience**
- Current Flagger Card (Montana, Idaho, Oregon, Washington, or ATSSA)**
- Successful Completion of Work Zone Technician Course**
- Verifiable Field or Design Work Zone Traffic Control Experience - Outline of Your WZ Experience**

### •Thursday: Train the Trainer

Passing the Traffic Control Technician and Traffic Control Supervisor training courses are a prerequisite to register for this course. Upon successful complete of the above courses, including exams, students become an LTAP Certified Flagging Instructor and are certified to train flaggers for a period of 4 years. Priority will be given to Public Agencies. **Train the Trainer course is required to teach a certified flagging course in Montana. To recertify as a flagging instructor, students must retake the Train the Trainer course.**

**Who Should Attend:** Transportation employees participating in the different courses will learn basic skills of work zone areas, receive flagger certification, receive Traffic Control Supervisor certification, and obtain valuable transportation/worker safety information.

**Instructor:** Shawna Page is a Montana Certified Flagging Instructor and has been a safety officer and instructor for over fifteen years. She has also worked in the field as a flagger and has taught Work Zone Technician, Traffic Control Supervisor Course, OSHA 10 & 30, Asbestos Safety, Cold Weather Safety, and other safety courses.
