

Montana LTAP Presents

Sign Placement and Gravel Road Maintenance

Workshop Description: Participants will learn permanent sign placement and MUTCD standards, and gravel road blading and maintenance practices at the 2019 MACRS Spring District Meetings.

Who Should Attend: Anyone who is involved with city or county roads, public works directors, or anyone who is interested in gravel roads maintenance and workzone safety.

Instructors: Shawna began her long career as an instructor over 25 years ago. All of Shawna's certifications are nationally recognized except for Flagging Certification which is a state-to-state process. She also teaches classes on asbestos awareness, blood-borne pathogens, hazardous waste, CPR, and OSHA 10 and 30, and MSHA Mine Safety. She brings her vast knowledge of safety training and experience to the LTAP program as the Field Training Professional.

Matthew Ulberg, P.E., Montana LTAP Director, has 19 years experience working in the private consulting industry. His strengths include working closely with public and private sector clients to solve their engineering challenges. His experience includes proposal development, rural, highway and municipal projects, right-of-way acquisition, & safety studies.

Questions: MT LTAP Conference Coordinator Genevieve Houska at 1-800-541-6671
