Mechanical & Industrial Engineering

Request to Transfer a Course

Continuing MSU M&IE students may choose to satisfy a requirement for degree with transfer credits from another university or college provided these requirements have been met:

1. The transfer request is received prior to taking the course.
2. MSU accepts the transferred course for credit.
3. The transfer course has been reviewed and approved by the Program Certifying Officer.
4. Student meets all prerequisite/corequisite requirements for the requested course (with a C- or better grade). *Approval will not be completed until such evidence has been demonstrated.*
5. Student will provide a course description from the transfer institution’s course catalog. A course syllabus may also be required if further information about the transfer course is needed.

Name (printed): ___________________________ Student ID #: __________ Major: ________

Course to be Transferred: ___________________________ ___________________________ ________
(course description attached) Number Title Credits

University/College: ___________________________ Semester: __________

The above course will be transferred for the following MSU Course.
