Financial Engineering Students
Fall & Summer 2018 Advising & Registration Directions

PREREGRISTRATION ADVISING

Advising for Fall & Summer 2018 classes will be March 19th - April 10th. Directions for the advising process can be found to the left.

Please see DegreeWorks for your assigned faculty advisor. If this is blank or an advisor from a previous major is listed, please see Laura Andersen in ROBH 220.

Advisors will send you an email with instructions on how to sign up for an advising appointment.

Flowsheet and all other advising forms can be found on the M&IE Advising page.

http://www.montana.edu/mie/students/advising_forms/
REGISTRATION

Update your Contact Information on MyInfo. All students will be asked to do this before they are allowed to register for Fall and/or Summer 2018 classes. If you try to register for an Engineering Course and all sections are full we will start waitlists. Look for waitlists on the M&IE Advising page. If you do not see a waitlist on the M&IE Advising page and a course is full, please stop by Roberts Hall 220 to let us know about the full class.

PROFESSIONAL AND TECHNICAL ELECTIVES

The list of professional and technical electives can be found on the M&IE Student Advising Page. It lists approved courses, semester of offering, prerequisites and substitution prerequisites. Discuss with your advisor the courses that would be best for you! Students interested in taking business finance courses should contact Dr. Sobek at dsobek@montana.edu with the courses they would like to take and the courses they have or are taking that will satisfy prerequisites.

CORE CLASSES

The Core Completion Checklist is found on the M&IE Student Advising Page. Please check your DegreeWorks worksheet to determine which core classes you have completed and which ones you still need to take. For D, IA and IH courses that are being offered for Fall 2018 please use the Schedule of Core Classes tool on the MyInfo Page.

Graduation Information

Applications for Spring 2018 Graduation were due last October. If you applied to graduate Spring 2018 look at the notes in your DegreeWorks worksheet. If there is a note about a discrepancy see Laura Andersen in ROBH 220. If you are planning on graduating Spring 2018 and did not apply for graduation see Laura Andersen immediately.

If you plan to graduate Fall 2018 and have not applied for graduation, please see Laura Andersen in ROBH 220 as soon as possible. Information for Spring 2019 graduation applications will be emailed in September.

Summer Classes - MSU Bobcat 4x4

If you plan to register for summer classes, please visit MSU’s Summer Bobcat 4x4 Information Page. There are 3 summer sessions. It is strongly recommended you take only 1 class each session. Each day of class will have 1 week’s worth of material covered and homework required. Registration for summer classes close the night before class starts. Add forms will only be signed if you are present the first day of class. There are no exceptions for late adds in the summer sessions.
