**Registration**

Update your Contact Information on MyInfo. All students will be asked to do this before they are allowed to register for Spring 2017 classes. If you try to register for an Engineering Course and all sections are full we will start waitlists. Stop by Roberts Hall 220 to sign up on a waitlist if the engineering course you would like or need is full.

**ADVISING**

Advising will be October 24th – November 12th 2016. Directions for advising can be found to the left. Schedule an advising meeting with your advisor during this time. Advisors will send you an email with instructions for setting up an appointment. Please see DegreeWorks for your assigned faculty advisor. If this is blank or an advisor from a previous major is listed, please see Laura Andersen in Roberts Hall 220 or Jane Boyd in Linfield Hall 310.
