Connector Technology Inc. Kalispell MT  Quality Manager:

Connector Technology Inc. (CTI) is an assembler of specialty cable assemblies as well as value added distributor for military and commercial grade connectors. CTI is currently AS9100C certified and maintains a DSCC certification.

This position requires monitoring and advising on the performance of the quality management system, producing data, reporting on performance and measuring against set standards.

You will need to liaise with other managers and staff throughout the organization to ensure that the quality management system is functioning properly. Where appropriate, you'll advise on changes and how to implement them and provide training, tools and techniques to enable others to achieve quality standards.

You will act as the management representative for all quality requirements.

Standardize and coordinate the Quality Management System activities.

Handle customer complaints, Analyze customer complaints and recommend and implement action plans and improved processes to prevent reoccurrence of customer complaints.

Analyze customer information and manufacturing processes and data to identify possible risks, understand consequences of costs and determine viability of customer partnerships.

Support development and maintenance of manufacturing processes based on customer requirements and standard assembly requirements.

Compile and/or create PPAP where required for manufactured products.

Assist in achieving targets based on performance goals.

Must have a minimum of three years' experience in quality management with experience in implementing or sustaining an ISO 9000 or AS9100 program.

Other skills that have definite value and are required in greater or lesser degree are:

- a general knowledge of electrical / electronic interconnection systems
- proficiency in MS Office
- The position also requires some motivational and communication skill in dealing with people as well as an ability to focus on detail.
  - Benefits include: 401K Plan, Medical, Vision, Dental Plans, Paid Holidays, Vacation and Personal Time
  - Salary 45-65K depending on experience
