

Minutes

AFS End of the Year Meeting and BBQ

April 26, 2005

### **Recap of Past Events**

Fish and Wildlife Banquet-

Event went well, good attendance, good food- committee is making up a "how to" document for future banquet committees

We made about \$200 from the raffle. We want to continue the event.

Walleye Netting-

A few participants, remember to take waders if you go

Calendars- continue? Not sure, need to change the way we sell them

### **Announcements**

Get your name and summer contact information to Brian so undergrads that want to volunteer for a few days can get in touch with you

Look in the July issue of Fisheries for a unit news article by Andy Dux on the MSU subunit

### **What do we need to do?**

Undergrad involvement....

We are doing Cat Crew to get freshmen involved, Catapalooza, beginning of the year BBQ

Raffle for Western Division AFS Meeting-

We need to find out the details about what percentage of profit we will get and if there is money to buy some items

We need to start early in the Fall to try and get corporate sponsors like Cabela's, etc...

Local guided trips like a Yellowstone Float Trip with Brad Shepard... would be good items

Also... The ideas of selling meeting / or MSU AFS t-shirts and local MT / Bozeman items was brought up

### **Ideas for the Future**

Kid's Fishing Day

Help FWP with this fun day.

River Clean-up / Float trip

Find out what stretch may need some help, float, fish, clean up

## Field Techniques Day

Have grad students put on a field techniques day where we teach undergrads how to ...

Do telemetry

Seine

Take fish measurements

Take invert samples

Fisheries Olympics type of stuff
