§ Research Mentoring || Tuesday, May 17 || 10:00 a.m. – 1:00 p.m. || Jabs 207
How can faculty who supervise researchers become the most effective mentor? These workshop sessions led by experienced mentor Dr. Suzanne Christopher of EHHD are based on the Mentor for Clinical and Translational Researchers curriculum. The seminar uses a case-based approach to explore an intellectual framework for research mentoring, providing opportunities for reflection on mentoring skills and a forum to solve mentoring dilemmas and share strategies for success.

§ Internal Implementation Advisory Team Meeting || Tuesday, May 17 || 2:00 – 4:00 p.m. || Jabs 207
This meeting is an opportunity to bring the entire Internal Implementation Advisory group up to speed with the semester in review, gain feedback from them, and brainstorm ideas and programming for the upcoming semester.

Writing to Communicate Your Science || Wednesdays - May 25, June 1 and June 8 || 10:00 a.m. – 12:30 p.m. || Jabs 207
Have a paper or grant that you would like to revise? Join the three-week writing workshop focused on communicating your science: telling, organizing, and writing your story. Open to faculty who have a draft of a complete grant proposal or peer-reviewed paper to bring to the workshop. This is a multi-day workshop limited to 12 participants.
