Tools for Nursing Leadership: Bedside to Boardroom

Keynote speaker:
Susan Hassmiller, PhD, RN, FAAN, Senior Advisor for Nursing, Robert Wood Johnson Foundation, is tasked with shaping and leading the Foundation’s strategies to address the nurse and nurse faculty shortages in an effort to create a higher quality of patient care in the United States.

As Director of the Future of Nursing: Campaign for Action, Dr. Hassmiller is working to identify new solutions for nursing in areas of recruitment, education, retention and new technologies to improve the delivery of nursing services in a variety of care settings within the context of the entire health care workforce. www.rwjf.org

The Museum of the Rockies is a world-class museum located in the heart of the Rocky Mountains in Bozeman, Montana. Known for its vast collection of dinosaur fossils, the Museum houses some of the most famous dinosaur specimens in the world, including Tyrannosaurus rex and Triceratops.

The Museum is located at 600 West Kagy Blvd, just south of the MSU Campus

Special Museum of the Rockies exhibit tour tickets are available for conference attendees Friday afternoon from 3-5 PM. Mark your registration form to attend this special event, and then join us from 5-7 PM for a Gala Reception to launch the Center to Advance Health Through Nursing and honor the recipients of the new Leading Change—Advancing Health Awards presented by Dr. Susan Hassmiller. This event will be hosted by the MSU College of Nursing in the lower level of the Museum.

This activity has been submitted for approval by the Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

6 total contact hours were submitted for approval.
