MONTANA STATE UNIVERSITY
COLLEGE OF NURSING

POLICY # C-8

TITLE: NRSRG 498 SUMMER INTERNSHIP

POLICY: The College of Nursing offers a 3-credit summer internship elective with cooperating health agencies for students who have successfully completed at least their first semester of junior level nursing courses. The course may be completed twice by a student. (See Master Resource Outline for course description and objectives.)

RATIONALE: The internship offers continuity for student practice after successful completion of at least the first semester junior level nursing courses by providing an experience in clinical agencies, including those not regularly utilized for student experiences. Students have an opportunity to utilize the nursing process in a variety of settings. The student may gain an enhanced feeling of confidence and increased competence in previously learned skills with the aid of agency preceptors, and has the opportunity to develop future professional relationships while earning elective credit toward degree requirements.
