

MSU LMS Evaluation Committee  
Activities Summary to Date – March 8, 2007

- Blackboard Inc. the parent company of WebCT, announced that Level I support for the WebCT CE 4 product (the version that MSU currently uses) would be extended to January 2009.
- As a result, the LMS Evaluation Committee proposed to ATAC that the RFP and evaluation period be extended such that product evaluations could take place as early as possible in the fall of 2007.
- The committee has continued to discuss and define LMS functionality and evaluation criteria.
