Note: These figures were calculated in compliance with definitions established by the Student Right-to-Know and Campus Security Act of 1990. We do not have high school background data for all students. No students have been removed from the freshman or transfer cohorts, so each cohort includes students who transferred to other schools, enlisted in the military, etc. Therefore, nonreturning/nongraduating students may be pursuing degrees elsewhere.

The information shown above is based on current data as of 10/5/2017 and may contain information not reported elsewhere.
