
Certification that Property is Free from Hazards

MSU Decal No.

Description

1. Check each type of hazardous material that has been used with or is contained in this property. If there is no hazardous material, check "none" for each hazard.
 2. Decontaminate the property according to the procedures referenced below.
 3. Complete the certification at the bottom.
-

Biological

(If you are unsure on appropriate decontamination method or procedure call 994-6998.)

Chemical

(If you are unsure on appropriate decontamination method or procedure call 994-7803.)

Radiological

(If you are unsure on appropriate decontamination method or procedure call 994-7317.)

Property used with radioactive materials requires clearance by the Radiation Safety Officer. Phone RSO to obtain a copy of the clearance procedures. If the item is a Liquid scintillation or Gamma counter, a final clearance by the RSO is mandatory.

I Hereby Certify that this property is free of hazardous materials or has been decontaminated in with the appropriate procedures or that the property has not been used with any of the materials listed above.
