

BECOMING A BOBCAT

www.montana.edu/itcenter

Bobcats receive many FREE technology products!

The MSU Information Technology Center supports student and classroom technology with free resources.

- Microsoft Office 365 Products (including Word, Excel, PPT, etc.)
- McAfee Anti-Virus
- MSU Box, a collaboration tool with unlimited cloud storage
- WebEx video conferencing
- Read & Write Gold accessibility and research software

Students can download Office 365 products after registering at orientation

Learn about other products and services such as campus Wi-Fi, residential IT support and student email by visiting www.montana.edu/itcenter/student. We also have over 600 dedicated computers with a variety of software. See studentlabs.montana.edu for more information!

Visit the IT Service Desk in the Renne Library Commons or call/email at [994-1777](tel:994-1777) / helpdesk@montana.edu
