

# Downtown Bozeman Parking Map

Downtown features a variety of convenient public parking options with over 2000 spaces offering 2 hours of free parking. Downtown features over 1500 on-street parking spaces that provide 2 hours of free parking throughout the district. There are four 2-hour free parking lots conveniently located one block off of Main Street with a total of 180 public spaces. For longer parking options, please visit Bridger Park Garage which offers all day parking with the first 2 hours fee. See the map below for parking facility locations.

The Bridger Park Garage is located between Tracy and Black avenues along Mendenhall Street, just half a block north of Bozeman's popular historic Main Street. This state-of-the-art multi-level garage accommodates 435 vehicles. The parking garage also serves as the primary hub for the free Streamline public bus system. The north and west sides of the facility feature a variety of stores, restaurants and offices.
