Parking Regulations 2017–2018

All vehicles parked on campus, weekdays 6am – 6pm, must have a permit. Exceptions are Saturday, Sunday and staff holidays when all university offices are closed. All regulations are enforced over winter, spring and summer breaks.

- Parking regulations are in effect for all property owned by Montana State University including main Campus, Safety and Risk Management, Marsh Labs, Agriculture Facilities, Stadium, Museum of the Rockies and Family & Graduate Housing.
- Due to weather, special events, construction and other factors beyond the control of Parking Services, a parking permit does not guarantee that a space will be available at all times for registered users.
- These regulations along with the MSU Bike regulations may be found at: www.montana.edu/police

I. Where should I park?

D. Appeals:

- The appeals process is not an alternative to full compliance with these parking regulations; therefore, the following issues are not legitimate grounds for an appeal and cannot be referred to the appeals board:
 - Lost citations: the fact that a citation exists is prima facie evidence that it was placed on the vehicle. When vehicle/license descriptions on the citation match the owners records held in the parking database then the citation cannot be appealed solely on the grounds that it was not received.
 - Parking illegally for a short period of time is not considered valid grounds for an appeal.
 - Forgetting a permit, leaving it in another vehicle or failing to display it properly may be reduced to a warning once per academic year by University Police.
 - Failure to take note of properly signed and marked areas are not grounds for an appeal.
 - Being unfamiliar with University Parking Regulations is not grounds for an appeal.
- Fines may be appealed at www.montana.edu/parking/appeals.html. Appeals must be submitted no later than the date specified on the citation. Fines upheld by the Parking Appeals Committee must be paid within seven days or a late fee will apply.
- The university is authorized by Montana statute to withhold the amount of any unpaid parking fines from any amount owed to students, employees or faculty members.
- Student transcripts may also be held for unpaid parking fines, and unpaid fines may be added to student accounts for collection purposes.
- The Parking Appeals Committee is composed of faculty, staff and student members appointed by the Vice President for Administration.

V. Special Occasions and Emergencies

- A. On special occasions and in emergencies, University Police as required will impose additional parking limitations.
- B. Accidents: Any accident involving a vehicle on university property must be reported to University Police by the quickest means.
- C. Emergencies: The University Police Department is open 24 hours a day and can be reached by telephone at 994-2121.
- D. Mechanical Failure: Whenever a car is parked improperly because of mechanical failure, the owner or driver must notify University Police of the situation immediately: 994-2121.

VI. Amendments to Regulations

These regulations may be amended at any time and such amendments will become effective by the order of the University President, by posting notices on the bulletin boards throughout campus and publishing notices in local or university publications for three consecutive weeks.
