Section II. A.2 Parking Regulations

1. Any change in vehicle registration information must be reported to the University Police Department as soon as possible.
2. The operator, registrant and/or owner registered or unregistered, of a vehicle is responsible for all violations recorded against the vehicle. As a student, staff or faculty, you are responsible for anyone parking your vehicle on campus and you are responsible for all fines.
3. Falsifying information on registration applications is prohibited. The registration information is considered complete or valid unless the hangtag is mounted on the designated sign.

G. Information:

1. A change in vehicle registration information must be reported to the University Police Department as soon as possible.
2. The operator, registrant and/or owner registered or unregistered, of a vehicle is responsible for all violations recorded against the vehicle. As a student, staff or faculty, you are responsible for anyone parking your vehicle on campus and you are responsible for all fines.
3. Falsifying information on registration applications is prohibited. The registration information is considered complete or valid unless the hangtag is mounted on the designated sign.

I. Where should I park?

A. You may park in any lot for which you have a valid permit. All vehicles parking on Montana State University (MSU) is controlled and a permit must be purchased prior to parking on campus during business hours. You may buy daily permits at the University Police. You may buy long-term permits at Parking Services.

B. Parking in service drives and no-buildings is not allowed without permission. For short-term drop-offs, permission to park in a service drive may be secured by calling University Police at 994-1773. Normally, permission will be granted for up to 20 minutes.

C. For more information on permits or to purchase permits, you may access our FAQ page here: www.montana.edu/police/parkingservices/faq.

II. General Regulations

A. Registration:

1. All vehicles parking on campus Mon–Fri, 6 am–6 pm must display a permit. This includes all vehicles, regardless of size, whether acquired for personal or business use. Permits are sold in selected lots and lots are shown on the campus parking map on the reverse. All eminents in Family & Graduate Housing can purchase permits or may be parked by displaying the MSU-B parking permit.

2. The person to whom a permit is issued or sold by the university is responsible for all future parking in lots designated for that permit. The operator/owner of any towed vehicle will be liable for towing and impound costs and all fees incurred while the vehicle is impounded.

3. Falsifying information on registration applications is prohibited and will void the registration. The operator/owner of any towed vehicle will be liable for towing and impound costs and all fees incurred while the vehicle is impounded.

4. Parking Services is not responsible for permits lost or missing in the mail. Permits lost in the post office must be reported to the University Police:

- By phone: 994-2121 or 994-2150
- In person, in the Family & Graduate Services office in the Huffman Building on the corner of S. 7th Ave. and Kagy Blvd.

B. Parking:

1. A university controlled street includes parking on all streets posted “no parking” or “no stopping” in the University Police Services or in the parking regulations. Generally, there are no stops or drops allowed in these areas.

2. Vehicles are required to park only in designated parking areas.

3. Parking Services is responsible for all parking violations on campus.

4. Bicycles are not required to park if they conform to the definitions below in Section II. A.2.

C. Permits are not required to park in 15 minute, 30 minute and 45 minute timed parking spaces, meter spaces or in service drives for which parking permission has been granted. The owner/registered owner of a parked motorized conveyance is responsible for any violation of parking regulations.

D. Motorcycles may only park in designated motorcycle parking areas.

E. Bicycles do not need a permit and may park in any bike rack on campus. Bicycles locked to bike racks must be visible and show the correct date.

F. You may park in any lot for which you have a valid permit. All parking on Montana State University is controlled and a permit must be purchased prior to parking on campus during business hours. You may buy daily permits at the University Police. You may buy long-term permits at Parking Services.

G. Information:

1. A change in vehicle registration information must be reported to the University Police Department as soon as possible.
2. The operator, registrant and/or owner registered or unregistered, of a vehicle is responsible for all violations recorded against the vehicle. As a student, staff or faculty, you are responsible for anyone parking your vehicle on campus and you are responsible for all fines.
3. Falsifying information on registration applications is prohibited. The registration information is considered complete or valid unless the hangtag is mounted on the designated sign.

H. ADA Accessible Parking Spaces:

1. ADA Accessible Parking Spaces: ADA accessible parking is available in spaces marked with designated signs. A Handicap parking permit or license plate issued by state government is required. The operator/owner of any towed vehicle will be liable for towing and impound costs and all fees incurred while the vehicle is impounded.

I. Due to weather, special events, construction and other factors beyond the control of Parking Services, normally, all parking lots undergo annual maintenance over the summer months and must be empty of vehicles for that period. Parking Services will designate parking any part of the vehicles over any line.

J. Information:

1. A change in vehicle registration information must be reported to the University Police Department as soon as possible.
2. The operator, registrant and/or owner registered or unregistered, of a vehicle is responsible for all violations recorded against the vehicle. As a student, staff or faculty, you are responsible for anyone parking your vehicle on campus and you are responsible for all fines.
3. Falsifying information on registration applications is prohibited. The registration information is considered complete or valid unless the hangtag is mounted on the designated sign.

K. Retirees, or the spouse of a deceased retiree, from Montana State University - Bozeman may retain their parking permit at no cost for retirement. The operator/owner of any towed vehicle will be liable for towing and impound costs and all fees incurred while the vehicle is impounded.

L. No parking will be allowed at any time in service drives, service parking, or load- ing areas. Service drives, service parking, or loading areas are not parking spaces, and parking in these areas is strictly prohibited.

M. Parking Services is not responsible for permits lost or missing in the mail. Permits lost in the post office must be reported to the University Police:

- By phone: 994-2121 or 994-2150
- In person, in the Family & Graduate Services office in the Huffman Building on the corner of S. 7th Ave. and Kagy Blvd.
