INVITATION TO BID

Separate Sealed Subcontractor / Supplier bids for the construction of:

MSU Norm Asbjornson Hall

will be received until 2:00 PM on Tuesday, August 16th, 2016, and will be received at the offices of Martel Construction, Inc. 1203 South Church, Bozeman, Montana 59715 for: MSU Norm Asbjornson Hall, A/E No. 2014-02-07. Bids shall be delivered by U.S Mail, or Hand Delivered to the address shown above and shall be clearly marked as follows:

Bidders Name and Address
Contractor Registration No.:
Project: MSU Norm Asbjornson Hall
Bid Date: August 16th, 2016
Bid Package: {Insert Applicable Bid Package Number(s)}
Acknowledge Addenda No.: __, __, __, __, __

Faxed or Emailed Bids will not be accepted. Bids will be opened and read aloud in the presence of the Construction Manager, Owner and Architect. Tabulated bid results will be made available as soon as possible and will be posted at the office of the Construction Manager and MSU.

A PRE-BID CONFERENCE IS SCHEDULED FOR THURSDAY AUGUST 4th, 2016 AT 2:00 PM. PARTICIPANTS SHOULD MEET AT: FACILITIES QUONSET, 6TH & GRANT, BOZEMAN, MONTANA. ATTENDANCE IS STRONGLY RECOMMENDED. Bidders should thoroughly review the contract documents before the pre-bid conference. Please park and purchase a pass at the visitor lot located at the corner of 7th and Grant.

Bids shall be submitted on the forms provided in Addendum # 1.

The project generally consists of, but is not necessarily limited to, the following major items:

SCHEDULE A: Site/Civil, Site Utilities, Demo, Engineered Aggregate Piers, Lighting (Supply House Pricing Only) and HVAC Equipment (Supply Pricing Only)

The contract documents, consisting of (1) one volume of drawings and (1) one volume of Project Specifications Manuals and any addendums published, may be examined or obtained at the office of Martel Construction, Inc., 1203 South Church Ave., Bozeman, Montana. Required deposit is $250.00 per full set which is fully refundable provided the documents are returned in good condition and not marked up. A $35.00 Non Refundable fee is required for shipping documents. An electronic copy (CD) is available from the Construction Manager at no charge.
In addition, the Drawings and Project Manuals may also be examined at the following specific locations and select regional exchanges:

- Bozeman Builders Exchange, 1105 Reeves Rd. West, Suite 800, Bozeman, MT 59718, 406-586-7653
- Builders Exchange of Billings, 2050 Broadwater, Suite A, Billings, MT 59102, 406-652-1311
- Butte Builders Exchange, 4801 Hope Road, Butte, MT 59701, 406-782-5433
- Great Falls Builders Exchange, 325 2nd Avenue South, Great Falls, MT 59405, 406-453-2513
- Helena Plans Exchange, 1530 Cedar St., Suite C, Helena, MT 59601, 406-457-2679
- Missoula Plans Exchange, 201 North Russell Street, Missoula, MT 59801, 406-549-5002
- Northwest Montana Plans Exchange, 2303 Highway 2 East, Kalispell, MT 59901, 406-755-5888
- Construction Manager’s Office located at Martel Construction, Inc: 1203 S. Church Ave, Bozeman, MT 59715, 406-586-8585

Contractors and any subcontractors doing work on this project will be required to obtain registration from the Montana Department of Labor and Industry. Forms for registration are available from the Department of Labor and Industry, P.O. Box 8011, 1805 Prospect Avenue, Helena, Montana 59604-8011. Information on registration can be obtained by calling 1-800-556-6694. Contractors are required to have been registered with the Department of Labor and Industry prior to bidding on this project.

The Bidder must supply all the information required by the bid documents and specifications.

Insurance as required shall be provided by the successful BIDDER(s) and a certificate(s) of that insurance shall be provided to the Construction Manager as noted in the specifications.

The subcontractor may be requested to provide a performance and payment bond.

The right is reserved to reject any or all Bids received, to waive irregularities, to make an award of the contract for a period of not to exceed ninety (90) days, and to accept the most responsive and responsible bid which is in the best interest of the State of Montana.

Martel Construction will make reasonable accommodations for any known disability that may interfere with an applicant’s ability to compete in the bidding and/or selection process. In order for Martel to make such accommodations, applicants must make known any needed accommodation to the individual project managers listed in the contract documents.

ADDITIONS AND DELETIONS:
The author of this document has added information needed for its completion. The author may also have revised the text of the original AIA standard form. An Additions and Deletions Report that notes added information as well as revisions to the standard form text is available from the author and should be reviewed. A vertical line in the left margin of this document indicates where the author has added necessary information and where the author has added to or deleted from the original AIA text. This document has important legal consequences. Consultation with an attorney is encouraged with respect to its completion or modification.
ARTICLE 1  DEFINITIONS

§ 1.1 Bidding Documents include the Bidding Requirements and the proposed Contract Documents. The Bidding Requirements consist of the Advertisement or Invitation to Bid, Instructions to Bidders, Supplementary Instructions to Bidders, the bid form, and other sample bidding and contract forms. The proposed Contract Documents consist of the form of Agreement between the Owner and Contractor, the form of agreement between the Construction Manager and the Trade Contractor, General Conditions of the Contract (General, Supplementary and other Conditions), Drawings, Specifications and all Addenda issued prior to execution of the Contract.

§ 1.2 Definitions set forth in the General Conditions of the Contract for Construction or in other Contract Documents are applicable to the Bidding Documents.

§ 1.3 Addenda are written or graphic instruments issued by the Architect prior to the execution of the Contract which modify or interpret the Bidding Documents by additions, deletions, clarifications or corrections.

§ 1.4 A Bid is a complete and properly executed proposal to do the Work for the sums stipulated therein, submitted in accordance with the Bidding Documents.

§ 1.5 The Base Bid is the sum stated in the Bid for which the Bidder offers to perform the Work described in the Bidding Documents as the base, to which Work may be added or from which Work may be deleted for sums stated in Alternate Bids.

§ 1.6 An Alternate Bid (or Alternate) is an amount stated in the Bid to be added to or deducted from the amount of the Base Bid if the corresponding change in the Work, as described in the Bidding Documents, is accepted.

§ 1.7 A Unit Price is an amount stated in the Bid as a price per unit of measurement for materials, equipment or services or a portion of the Work as described in the Bidding Documents.

§ 1.8 A Bidder is a person or entity who submits a Bid and who meets the requirements set forth in the Bidding Documents. A Bidder is a person or entity who submits a Bid for a complete or partial Bid Package as defined in Specification Section 01005.

§ 1.9 A Sub-bidder is a person or entity who submits a bid to a Bidder for materials, equipment or labor for a portion of the Work as defined in the Bid Packages (Reference Specification Section 01005).

ARTICLE 2  BIDDER'S REPRESENTATIONS

§ 2.1 The Bidder by making a Bid represents that:

§ 2.1.1 The Bidder has read and understands the Bidding Documents or Contract Documents, to the extent that such documentation relates to the Work for which the Bid is submitted, and for other portions of the Project, if any, being bid concurrently or presently under construction.

§ 2.1.2 The Bid is made in compliance with the Bidding Documents.

§ 2.1.3 The Bidder has visited the site, become familiar with local conditions under which the Work is to be performed and has correlated the Bidder’s personal observations with the requirements of the proposed Contract Documents.

§ 2.1.4 The Bid is based upon the materials, equipment and systems required by the Bidding Documents without exception.

§ 2.1.5 The Bidder agrees to follow all Federal and State Contracting Laws.

ARTICLE 3  BIDDING DOCUMENTS

§ 3.1 COPIES

§ 3.1.1 Bidders may obtain complete sets of the Bidding Documents from the issuing office designated in the Advertisement or Invitation to Bid in the number and for the deposit sum, if any, stated therein. The deposit will be refunded to Bidders who submit a bona fide Bid and return the Bidding Documents in good condition within ten days after receipt of Bids. The cost of replacement of missing or damaged documents will be deducted from the deposit.
Bidder or Sub-bidder receiving a Contract award may retain the Bidding Documents and the Bidder's deposit will be refunded.

§ 3.1.2 Bidding Documents will be issued to any person or entity placing a deposit for the drawings.

§ 3.1.3 Bidders shall use complete sets of Bidding Documents in preparing Bids; neither the Owner nor Architect assumes responsibility for errors or misinterpretations resulting from the use of incomplete sets of Bidding Documents.

§ 3.1.4 The Owner and Architect may make copies of the Bidding Documents available on the above terms for the purpose of obtaining Bids on the Work. No license or grant of use is conferred by issuance of copies of the Bidding Documents.

§ 3.2 INTERPRETATION OR CORRECTION OF BIDDING DOCUMENTS
§ 3.2.1 The Bidder shall carefully study and compare the Bidding Documents with each other, and with other work being bid concurrently or presently under construction to the extent that it relates to the Work for which the Bid is submitted, shall examine the site and local conditions, and shall at once report to the Architect errors, inconsistencies or ambiguities discovered.

§ 3.2.2 Bidders and Sub-bidders requiring clarification or interpretation of the Bidding Documents shall make a written request which shall reach the Architect at least seven days prior to the date for receipt of Bids.

§ 3.2.3 Interpretations, corrections and changes of the Bidding Documents will be made by Addendum. Interpretations, corrections and changes of the Bidding Documents made in any other manner will not be binding, and Bidders shall not rely upon them.

§ 3.3 SUBSTITUTIONS
§ 3.3.1 The materials, products and equipment described in the Bidding Documents establish a standard of required function, dimension, appearance and quality to be met by any proposed substitution.

§ 3.3.2 No substitution will be considered prior to receipt of Bids unless written request for approval has been received by the Architect at least ten days prior to the date for receipt of Bids. Such requests shall include the name of the material or equipment for which it is to be substituted and a complete description of the proposed substitution including drawings, performance and test data, and other information necessary for an evaluation. A statement setting forth changes in other materials, equipment or other portions of the Work, including changes in the work of other contracts that incorporation of the proposed substitution would require, shall be included. The burden of proof of the merit of the proposed substitution is upon the proposer. The Architect's decision of approval or disapproval of a proposed substitution shall be final.

§ 3.3.3 If the Architect approves a proposed substitution prior to receipt of Bids, such approval will be set forth in an Addendum. Bidders shall not rely upon approvals made in any other manner.

§ 3.3.4 No substitutions will be considered after the Contract award unless specifically provided for in the Contract Documents.

§ 3.4 ADDENDA
§ 3.4.1 Addenda will be transmitted to all who are known by the issuing office to have received a complete set of Bidding Documents.

§ 3.4.2 Copies of Addenda will be made available for inspection wherever Bidding Documents are on file for that purpose.

§ 3.4.3 Addenda will be issued no later than four days prior to the date for receipt of Bids except an Addendum withdrawing the request for Bids or one which includes postponement of the date for receipt of Bids.

§ 3.4.4 Each Bidder shall ascertain prior to submitting a Bid that the Bidder has received all Addenda issued, and the Bidder shall acknowledge their receipt in the Bid.
ARTICLE 4   BIDDING PROCEDURES
§ 4.1 PREPARATION OF BIDS
§ 4.1.1 Bids shall be submitted on the forms included with the Bidding Documents.

§ 4.1.2 All blanks on the bid form shall be legibly executed in a non-erasable medium.

§ 4.1.3 Sums shall be expressed in both words and figures or as indicated on the bid form. In case of discrepancy, the amount written in words shall govern.

§ 4.1.4 Interlineations, alterations and erasures must be initialed by the signer of the Bid.

§ 4.1.5 All requested Alternates shall be bid. If no change in the Base Bid is required, enter "No Change."

§ 4.1.6 Where two or more Bids for designated portions of the Work have been requested, the Bidder may state the Bidder’s refusal to accept award of less than the combination of Bids stipulated by the Bidder. The Bidder shall make no additional stipulations on the bid form nor qualify the Bid in any other manner.

§ 4.1.7 Each copy of the Bid shall state the legal name of the Bidder and the nature of legal form of the Bidder. The Bidder shall provide evidence of legal authority to perform within the jurisdiction of the Work. Each copy shall be signed by the person or persons legally authorized to bind the Bidder to a contract. A Bid by a corporation shall further give the state of incorporation and have the corporate seal affixed. A Bid submitted by an agent shall have a current power of attorney attached certifying the agent’s authority to bind the Bidder.

§ 4.2 BID SECURITY
§ 4.2.1 A Bid Security is not Required.

(Paragraphs deleted)

§ 4.3 SUBMISSION OF BIDS
§ 4.3.1 All copies of the Bid and any other documents required to be submitted with the Bid shall be enclosed in a sealed opaque envelope. The envelope shall be addressed to the party receiving the Bids and shall be identified with the Project name, the Bidder’s name and address and, if applicable, the designated portion of the Work for which the Bid is submitted. If the Bid is sent by mail, the sealed envelope shall be enclosed in a separate mailing envelope with the notation "SEALED BID ENCLOSED" on the face thereof.

Bids may be submitted at the place designated and by the date and time specified by way of:
1. Mail
2. Hand Delivery

§ 4.3.2 Bids shall be deposited at the designated location prior to the time and date for receipt of Bids. Bids received after the time and date for receipt of Bids may be returned unopened.

§ 4.3.3 The Bidder shall assume full responsibility for timely delivery at the location designated for receipt of Bids.

§ 4.3.4 Oral, telephonic, telegraphic, or other electronically transmitted bids will not be considered.

§ 4.4 MODIFICATION OR WITHDRAWAL OF BID
§ 4.4.1 A Bid may not be modified, withdrawn or canceled by the Bidder during the stipulated time period following the time and date designated for the receipt of Bids, and each Bidder so agrees in submitting a Bid.

§ 4.4.2 Prior to the time and date designated for receipt of Bids, a Bid submitted may be modified or withdrawn by notice to the party receiving Bids at the place designated for receipt of Bids. Such notice shall be in writing over the signature of the Bidder. Written confirmation over the signature of the Bidder shall be received, and date- and time-stamped by the receiving party on or before the date and time set for receipt of Bids. A change shall be so worded as not to reveal the amount of the original Bid. Fax bid modifications are allowed.
§ 4.4.3 Withdrawn Bids may be resubmitted up to the date and time designated for the receipt of Bids provided that they are then fully in conformance with these Instructions to Bidders.

(Paragraph deleted)

ARTICLE 5 CONSIDERATION OF BIDS
§ 5.1 OPENING OF BIDS
At the time of Bid Opening, the properly identified Bids received on time will be publicly acknowledged receipt thereof and recorded at the time of Bid Closing. All Bids and Sub-bids will be taken under advisement. An abstract of the Bids will be made available to Bidders after the Bid Summary is submitted to the Owner for Approval and Approved.

§ 5.2 REJECTION OF BIDS
The Owner shall have the right to reject any or all Bids in the best interest of the Owner. A Bid not accompanied by other data required by the Bidding Documents, or a Bid which is in any way incomplete or irregular may be subject to rejection.

§ 5.3 ACCEPTANCE OF BID (AWARD)
§ 5.3.1 It is the intent of the Construction Manager to award a Contract to the lowest qualified Bidder provided the Bid has been submitted in accordance with the requirements of the Bidding Documents and does not exceed the funds available. The Construction Manager shall have the right to waive informalities and irregularities in a Bid received and to accept the Bid which, in the Construction Manager’s judgment, is in the Owner’s own best interests.

§ 5.3.2 The Owner shall have the right to accept Alternates in any order or combination, unless otherwise specifically provided in the Bidding Documents, and to determine the low Bidder on the basis of the sum of the Base Bid and Alternates accepted.

ARTICLE 6 POST-BID INFORMATION
§ 6.1 CONTRACTOR’S QUALIFICATION STATEMENT
Bidders to whom award of a Contract is under consideration shall submit to the Construction Manager, upon request, a properly executed AIA Document A305, Contractor’s Qualification Statement, unless such a Statement has been previously required and submitted as a prerequisite to the issuance of Bidding Documents.

§ 6.2 OWNER’S FINANCIAL CAPABILITY
The Construction Manager shall, at the request of the Bidder to whom award of a Contract is under consideration and no later than seven days prior to the expiration of the time for withdrawal of Bids, furnish to the Bidder reasonable evidence that financial arrangements have been made to fulfill the Owner’s obligations under the Contract. Unless such reasonable evidence is furnished, the Bidder will not be required to execute the Agreement between the Construction Manager and Bidder.

§ 6.3 SUBMITTALS
§ 6.3.1 The Bidder shall, as soon as practicable or as stipulated in the Bidding Documents, after notification of selection for the award of a Contract, furnish to the Owner through the Construction Manager in writing:
1. a designation of the Work to be performed with the Bidder’s own forces;
2. names of the manufacturers, products, and the suppliers of principal items or systems of materials and equipment proposed for the Work; and
3. names of persons or entities (including those who are to furnish materials or equipment fabricated to a special design) proposed for the principal portions of the Work.

§ 6.3.2 The Bidder will be required to establish to the satisfaction of the Construction Manager, Architect and Owner the reliability and responsibility of the person or entities proposed to furnish and perform the Work described in the Bidding Documents.

§ 6.3.3 Prior to the execution of the Contract, the Construction Manager will notify the Bidder in writing if either the Owner Construction Manager, or Architect, after due investigation, has reasonable objection to a person or entity proposed by the Bidder. If the Owner, Construction Manager, or Architect has reasonable objection to a proposed person or entity, the Bidder may, at the Bidder’s option, (1) withdraw the Bid or (2) submit an acceptable substitute.
person or entity with an adjustment in the Base Bid or Alternate Bid to cover the difference in cost occasioned by such substitution. The Owner with the Construction Manager may accept the adjusted bid price or disqualify the Bidder.

§ 6.3.4 Persons and entities proposed by the Bidder and to whom the Owner and Architect have made no reasonable objection must be used on the Work for which they were proposed and shall not be changed except with the written consent of the Owner and Architect.

ARTICLE 7 PERFORMANCE BOND AND PAYMENT BOND

§ 7.1 BOND REQUIREMENTS

§ 7.1.1 If stipulated in the Bidding Documents, the Bidder shall furnish bonds covering the faithful performance of the Contract and payment of all obligations arising thereunder. Bonds may be secured through the Bidder’s usual sources.

§ 7.1.2 If the furnishing of such bonds is stipulated in the Bidding Documents, the cost shall be included in the Bid. If the furnishing of such bonds is required after receipt of bids and before execution of the Contract, the cost of such bonds shall be added to the Bid in determining the Contract Sum.

§ 7.1.3 If the Owner or Construction Manager requires that bonds be secured from other than the Bidder’s usual sources, changes in cost will be adjusted as provided in the Contract Documents.

§ 7.2 TIME OF DELIVERY AND FORM OF BONDS

§ 7.2.1 The Bidder shall deliver the required bonds to the Construction Manager not later than five days following the date of execution of the Contract. If the Work is to be commenced prior thereto in response to a letter of intent, the Bidder shall, prior to commencement of the Work, submit evidence satisfactory to the Owner that such bonds will be furnished and delivered in accordance with this Section 7.2.1.

§ 7.2.2 Unless otherwise provided, the bonds shall be written on AIA Document A312, Performance Bond and Payment Bond. Both bonds shall be written in the amount of the Contract Sum and per the Specifications.

§ 7.2.3 The bonds shall be dated on or after the date of the Contract.

§ 7.2.4 The Bidder shall require the attorney-in-fact who executes the required bonds on behalf of the surety to affix thereto a certified and current copy of the power of attorney.

ARTICLE 8 FORM OF AGREEMENT BETWEEN CONSTRUCTION MANAGER AND BIDDING CONTRACTOR

Unless otherwise required in the Bidding Documents, the Agreement for the Work will be written on a Document A401, Standard Form of Agreement Between Constructor and Subcontractor Where the Basis of Payment Is a Stipulated Sum.
Certification of Document’s Authenticity
AIA® Document D401™ – 2003

I, Phil Lafata, hereby certify, to the best of my knowledge, information and belief, that I created the attached final document simultaneously with its associated Additions and Deletions Report and this certification at 08:21:57 on 09/21/2015 under Order No. 6369099217_1 from AIA Contract Documents software and that in preparing the attached final document I made no changes to the original text of AIA® Document A701™ – 1997, Instructions to Bidders, as published by the AIA in its software, other than those additions and deletions shown in the associated Additions and Deletions Report.

Martel Construction, Inc.
Date: Mon 8/1/16
NAH Schedule A Pre-bid
I. Where should I park?

A. For all emergencies dial 911. For non-emergencies call 994-2121. The University Police Department is open 24 hours a day and responds to all non-emergency public safety and emergency service requests. Police services include: crimes on the university campus, traffic, and general assistance. Many other agencies respond to public safety and emergency service incidents. If you need assistance, please call 911.

B. All vehicles parked on campus, weekdays 6am – 9pm, must have a permit. Exceptions are Saturday, Sunday and staff holidays when all university offices are closed. All regulations are enforced over winter, spring and summer breaks.

C. Parking regulations are in effect for all property owned by Montana State University including main campus and selected off-campus facilities. The Montana University System has authorized the Presidents of the various public institutions of higher education to make and alter the parking regulations applicable to their institutions.

II. General Policies

A. Registration: All vehicles parking on campus Mon – Fri, 6am – 6pm may display a permit. This includes parking on all university controlled streets and lots. University controlled streets and lots are defined on the university campus and in the areas specified by the permit designation. All vehicles parking in Family & Graduate Housing are university controlled. Parking permits may be purchased online at www.montana.edu/policepermits.shtml or at University Police. Annual permits are valid from Sept. 1 – Aug. 31.

B. Exemptions:

1. Permits are not required to park in 15 minute, 30 minute and 45 minute timed parking spaces or in service drives for which parking permission has been granted. Permission to park in service drives may be obtained by calling 994-1723.

2. Faculty are enforced 24 hours a day, 7 days a week:

   a. Service Drivers
   b. Handicapped spaces
   c. Spots Set aside for Family Housing
   d. No Parking zones/Yellow zones
   e. A reserved space for a 24 hour enrolled parking
   f. 24 hour reserved spaces
   g. All vehicles are not required to purchase permits if they conform to the definitions below in section III.A.3.

C. Parking and Traffic: All matters concerning parking and traffic should be referred to the University Police.

D. University Police: The University Police are certified sworn peace officers and are empowered to enforce state and federal criminal law.

E. Liability: MSU assumes no responsibility for care or protection of any vehicle or its contents while on the campus except for land conveyance with pedals for human propulsion and a motor of 50cc or less. University Police: The University Police are certified sworn peace officers and are empowered to enforce state and federal criminal law.

F. Parking Permits: University Police: The University Police are certified sworn peace officers and are empowered to enforce state and federal criminal law.

G. Definitions:

   a. Permits: in vehicle registration information must be reported to the University Police Department as soon as possible.
   b. The person registered on the permit or registered at the time of registration.
   c. The term falsifying information includes, but is not limited to: falsification of name, residence, age or any other data required for registration of a vehicle or motorcycle.
   d. The purpose of annual parking permits for privately owned vehicles and payment of parking stations shall be paid from personal funds. The use of any institutional funding source to pay for either private parking permits or parking citations is unauthorized and against the regulations established by Montana State University. The purchase of employed parking permits is prohibited by law.
   e. Permits are not transferable by the vehicle owner.
   f. Replacement fees will apply.

H. Students, faculty, staff, and visitors of the University are subject to these policies and procedures. In the event of an emergency such as a fire, flood or accident, the University Police are empowered to order vehicles from the area.

I. The following general policies and procedures are not in conflict with the parking regulations. These regulations may be appealed at www.montana.edu/police/appeals.shtml

J. Limitations: M</p>
