ADDENDUM NO. 3 - OUTLINE AND SUMMARY INFORMATION

Project Name: Temporary Gym Structures  
Location: MSU Bozeman  
PPA No.: 19-0061  
Date: 5/2/19

To: All Plan Holders of Record

The Plans and Specification prepared by 45 Architecture dated 4/21/19, shall be clarified and added as follow. The bidder proposes to perform all the following clarifications or changes. It is understood that the Base Bid shall include any modification of Work or Additional Work that may be required by reason of the following change or clarifications.

The Bidders are to acknowledge the receipt of this Addendum by inserting its number and date into their Bid Forms. Failure to acknowledge may subject the Bidder to disqualification and rejection of the bid. This Addendum forms part of the Contract Documents as if bound therein and modifies them as follows:

I. GENERAL INFORMATION

Clarification:

A. Each Temporary Structure bubble, (North and South) shall have a dedicated AC condensing unit for each structure. The AC condensing unit shall be included in the bid alternate.

The 60-ton AC condensing unit referenced in the construction documents is just for the North bubble. There will be an additional AC condensing unit for the South bubble sized to adequately cool the space as prescribed in the specifications.

Each bubble manufacturer may approach mechanical equipment differently. Please ensure compliance with performance specifications for heating and cooling, regardless of system or equipment used.

Please ensure all costs associated with the AC function are included in the Alternate #1 line item on the bid form.
