ADDENDUM NO: 02
MONTANA STATE UNIVERSITY CLASSROOM RENOVATIONS 2020

DATE: Wednesday, January 29th, 2020
PROJECT: MSU CLASSROOM RENOVATIONS 2020
PPA: 19-0136A
ARCHITECT: Mosaic Architecture, 428 No. Last Chance Gulch, Helena, Montana 59601
TO: All plan holders of record

The above-numbered solicitation is amended as set forth below. Bidders/Offerors must acknowledge receipt of this amendment prior to the hour and date specified for receipt of bids/proposals, by completing the addendum acknowledgement on the form titled “Bid Proposal”.

ARCHITECTURAL AMENDMENTS:

Clarifications:

1. IT Equipment
   a. All IT equipment provided by MSU, contractor is responsible for install.

2. Building access
   a. Building is open typical working hours. Contractor to coordinate with MSU for weekend/evening access to classrooms. Stairs may be used for construction but must be kept clean and available to the public. The elevator may be used for construction but must be protected, kept clean, and available to the public.

3. Site Coordinate Required
   a. Additional construction work is occurring on MSU Campus simultaneous with this project. A construction fence will be placed for that work that may result in limited door access along the south side of Reid Hall. Contractor is to coordinate with MSU when access to the south entry of Reid Hall is limited.
