Making a Difference

Peace Corps Volunteers make a difference for 27 months in a developing community overseas with a job in Education, Health, Environment, Agriculture, Youth Development, or Community Economic Development.

Wednesday, March 25
Special Event:
“Returned Peace Corps Volunteers Weaving Women’s Stories of Global Service”
6 to 7 p.m.

Sponsored by the Peace Corps and the MSU Women’s Center

Serving in the Peace Corps is a great way to immerse yourself in a new culture, learn a new language, and have the experience of a lifetime all while making a positive difference. Celebrate Women’s History Month and join us for an evening of Returned Peace Corps Volunteers’ inspiring stories. Women who have served in developing communities overseas will reflect on their life-defining experiences in Africa, Asia, Eastern Europe and beyond...
