 COME EXPLORE YOUR NEIGHBORHOOD UNIVERSITY

The advantage of living in a college town is the vibrancy, culture and amenities that come with it.

To help our neighbors take advantage of everything that is available on campus, we put together a list of things that might be of interest to you. So, whether it's relaxing by the Duck Pond, taking in a musical performance at Reynolds Recital Hall or cheering on the Bobcats, we want the entire Bozeman community to feel at home at MSU.
