REQUEST FOR EXEMPTION FROM FIRST YEAR LIVE IN REQUIREMENT

Institutional and national research suggests that students who live on campus are significantly more inclined to remain in college, graduate in 4 years and achieve higher GPAs in comparison to students living off campus. In support of the mission of Montana State University, all students taking six or more credit hours, with less than 30 credit hours accomplished in a residence hall setting, are required to live in university owned residence halls.

If you think you qualify for an exemption based on the criteria below, submit this request WITH SUPPORTING DOCUMENTATION to:

Residence Life/University Food Services P. O. Box 172080 Bozeman, MT 59717-2080 or Residence Life/University Food Services fax: 406.994.1918 email scanned documents: housing@montana.edu
