

MSU RETIREE ASSOCIATION

Communications opt-in

The MSU Retiree Association (MSURA) informs, connects and advocates for all retirees. All university retirees are included in MSURA when they retire from MSU. MSURA is a non-dues paying organization serving all retired faculty, professional and classified staff and their spouses. All retirees and pre-retirees are welcome and encouraged to participate.

MSURA encourages continued engagement with the University and colleagues by providing opportunities for retirees to gather together through diverse social, cultural, educational and intellectual programs. MSURA also seeks to provide pertinent information for retirees on privileges, finances, benefits, health insurance and pre-retirement planning.

MSURA is an independent organization operated under its own governance by a volunteer advisory council. While MSU is proud to partner, MSURA's activities and advice are unassociated with those of MSU and the Montana University System.

Visit us online at: montana.edu/retired

YES! I want to stay engaged and informed through the MSU Retiree Association.

Please note we send most communications by email, and occasionally a printed invitation or information will come via U.S. mail.

Name _____

Department/program/center
from which you are retiring _____

Date of retirement _____

Mailing address _____

City _____ State _____ Zip _____

Home phone _____ Cell phone _____
