Minutes Of Previous Meeting

additions to agenda

Old Business:

Housing Requests; Two requests received and approved. Discussed the need for respective club representation at meetings to assist getting information out, especially first year members. Although discussed the need for a housing request deadline prior to ownership of the animal.

Market Sale Budget Discussion; Kathy McEldery provided budget details of costs/revenue for market sales 2000-2006. Committee discussed items on the cost side, particularly Thank You ads. We will use the current fees (\$30-Beef, \$25-Swine, \$20-Sheep) and revisit this issue after the fair.

Readiness Day (Saturday, August 25 @ 9 am); Everyone sounds ready for Readiness Day, let's hope for a good turnout.

Parking/Camping; Patrol slots are about filled, Rick H. informed the Committee this will be his final year as camping coordinator. Thank You for years of serving Rick

Species Reports and Workshops

Horse; weekly riding sessions continue with good participation. Helmet policy has had a positive response.

Beef; no report

Sheep; the showing/fitting clinic held on Aug 9th on the fairgrounds was successful and well attended.

Swine: Matt reminded the committee to expect some underweight market projects. This is mainly a result of the size weaner pigs available in May.

Poultry/Rabbit; Members have had clinic opportunities. Nancy informed the committee, that along with Rick this will be the last year they can commit to the Fair. Thank You Nancy for years of service.

Next Meeting: At the Fair
