# 4-H DEPARTMENT

## GENERAL RULES AND REGULATIONS

1. Only members of Sanders County 4-H Clubs are eligible to exhibit. Members must be enrolled during the current year in the project in which exhibits are entered. 4-H Cloverbuds may exhibit and will be awarded participation ribbons for their entries.
2. Entry forms are due in the County Extension Office by 5:00 p.m. Friday, July 31, 2009.
3. All exhibits will be judged on the Danish system through interview judging. A purple ribbon may be given for an outstanding exhibit.
4. Only one entry per lot number for each member in all projects. (This does not apply to "any other" lots if the exhibits are different).
5. Exhibitors will not receive premium money if the exhibits are removed before closing time. Non-animal exhibits can be removed at 7:00 p.m. Sunday. Animal exhibits shall be removed at 7:00 p.m. Sunday unless prior arrangements are made with your barn superintendent.
6. All entries must be the member's own workmanship during the current year.
7. Any exhibit cannot be previously graded at school.
8. All 4-H exhibitors must have attended 50% of the club meetings and they **must** fulfill the Sanders County 4-H program participation requirements in order to enter exhibits and/or sell animals.
9. Club members exhibiting must be in good standing as determined by the Sanders County 4-H Council and Sanders County Extension Service.
10. 4-H camping **quiet** hours are 10:00 p.m. – 6:00 a.m. in respect for fellow campers.

## LIVESTOCK RULES

1. **Dress code** for livestock shows, photographs and sale are as follows: dark pants, white long sleeved shirt, recommend leather shoes or boots (required for large animal round robin for safety purposes). Hat, tie or suitable vest optional. Dress Code violations will result in loss of one ribbon color. Horse attire according to current horse show standards.
2. **A) Animal Possession** (Deadline): 4-H members may tag two market animals on the respective tagging day (first Saturday in January - Beef and first Saturday in June - Sheep/Swine). To replace an animal, prior to selection date due to sickness or death, the member must make written request or appear before the livestock committee for approval.  
**B) Selection Deadlines:** A member tagging two animals must select the project animal by May 1 (Beef) and the third Saturday in July (Sheep & Swine). The animal not chosen will be removed from the list. No animals will be replaced after May 1 (Beef) or the sheep shearing date in July (Sheep & Swine).  
**C) Horse, breeding & llama projects** must be enrolled and animals in possession by June 1 of the 4-H year. **Market Steers** must be in your possession by November 1<sup>st</sup> or at time of weaning.  
**D) All livestock projects** must submit a housing form describing where their project animal(s) are being kept. Deadlines; November 1<sup>st</sup> (market beef & cattle), April 1<sup>st</sup> (sheep /swine /goats), June 1<sup>st</sup> (horses/llamas). Forms are available from the extension office or online at [www.montana.edu/sanders](http://www.montana.edu/sanders)

3. **A) All 4-H members exhibiting stock must furnish feed and water containers** for all stock. All feed & water containers are limited to show size (24" diameter for feed/water) and are to be removed each time after feeding.  
**B) All members are responsible** for feeding and caring for their own animals at the fair and keeping the stalls and pens clean and in good condition. After any market animal is sold on Sunday, the member-seller is still responsible for the care and feeding of the animal for the remainder of the fair. Sufficient feed and water must be left for a 12 hour period, beginning Sunday evening - until shipping Monday morning.
4. A 4-H member may **enter as many animals** as he desires, but not more than one entry in any one lot.
5. Once a 4-H member brings an animal exhibit onto the fairgrounds, the care of that animal is the **sole responsibility** and obligation of the member-owner.
6. Only the member-owner is permitted to fit his or her animal for show ring. **No assistance will be given** to the member by leader, or parent, except to assist in restraining an animal if necessary. Verbal assistance shall not be allowed while the animal is being shown. Disregard for this rule can result in the disqualification of an animal.
7. **Only the member-owner** is allowed to show and/or sell an animal, except for special cases where the Extension Agent advises.
8. **A) The Livestock Committee requires that all animal exhibitors must take part in showmanship.**  
**B) All market project members must be enrolled in two projects** and be in good standing according to the county 4-H policy.
9. **Animals may be brought to the Fairgrounds** any time after 1:00 p.m. Wednesday and no later than 6:00 p.m. Wednesday night.
10. **Dogs and cats** shown by the 4-H member will not be housed at the fairgrounds. **Pocket pets** may be exhibited at the discretion of the rabbit & poultry barn superintendent.
11. All animal project members must bring an **up-to-date record book to the fair**, when animal is checked in.
12. All animals and poultry must pass the **health inspection** by the Fair Veterinarian on entry day. Any animal or poultry not passing health inspection must be removed immediately from the fairgrounds.
13. **Sheep & goats** must have recorded Scrapies Tags.
14. In the interest of **safety**, if stock cannot be handled by the member alone as determined by the Livestock Committee, it must be taken home.
15. Members shall turn 12 years old (minimum) during the 4-H year to **show a steer or to take the Colt to Maturity project** and meet level requirements (for horse projects).
16. **A) Only one market animal** may be entered and sold per member. If a sale heifer is taken and sold it counts as a market animal. Animals shown in the market classes must be sold in the market sale.

**B) Only one 4-H market animal** may be sold in Western Montana Fairs per year.

**C) Market Weights:** Minimum weight classes are 210 pounds for hogs and 100 pounds for sheep. Decidedly under finished animals, regardless of weight, can be moved into a feeder class at the judge's discretion. Market swine will be sold at a maximum listed live sale weight of 290 pounds, although they may be shown in excess of that.

**D) White ribbon** lambs, steers and hogs or **feeder class animals** cannot be sold in the 4-H sale. They may be sold by private treaty. Sale order will be determined by the live animal judge.

**E) Market Stock Sale Withholding;** \$20/lamb, \$30/swine, \$35/steer, \$5/poultry-rabbit, \$10/private treaty (feeder) sales. These fees support costs associated with premium stock sale administration, fairgrounds improvements and death loss (following sale). Fee structure has been in place for +30 years.

**F) Un-cleaned pens/stalls/cages** (by Noon Labor Day Monday) will be assessed a **\$30 cleaning fee**, unless prior arrangements have been made with the respective barn superintendent.

17. All **complaints** must be given in writing to the Livestock Committee.
18. **Round Robin** Large Animal Showmanship class shall consist of the respective Junior/Senior Showmanship Champion in Beef, Sheep, Swine, Dairy, & Horse. Round Robin Small Animal Showmanship class shall consist of Rabbit, Poultry, Dog, & Goat.
19. All blue ribbon 4-H entries desiring to **compete in open class** must pre-register according to open class guidelines.
20. **Quality Assurance Training:** First year members and every 2<sup>nd</sup> year thereafter must attend to qualify to receive Symbol of Excellence (Swine), Steer of Merit, and Certified Lamb certificates.
21. All 4-H members and leaders are required to wear a **helmet** while participating at **4-H horse events** in Sanders County.

### **4-H LIVESTOCK CODE OF ETHICS**

Montana 4-H is based on principles of positive youth development. We believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity as well as an interest in presenting a positive and progressive image at livestock shows. Because we believe that all livestock producers want to produce a wholesome, safe and reliable source of food for the public, we have adopted the following "4-H Livestock Code of Ethics". Violations of this code are considered unethical in the raising, showing and exhibiting of livestock for 4-H shows and fairs.

**Sportsmanship:** All exhibitors and their families are encouraged to conduct themselves in a positive, honest sportsmanlike manner during shows. Losing gracefully is just as important as winning humbly. The following practices are prohibited:

◆Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors, or spectators is prohibited.

◆Misrepresenting the age of the animal for the class in which it is shown.

◆Criticizing or interfering with the judge, other exhibitors or show officials while at the show or fair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the show.

**Treatment of Animals:** All animals are to be treated in a humane manner. Adequate feed, water, and shelter are to be provided at all times. Physically abusing an animal is unacceptable at all times and the maltreatment of animals will not be tolerated. Exhibitors who abuse their animals, for whatever reasons will be disqualified for the show. Striking an animal to cause swelling is absolutely prohibited.

**Administration of Drugs:** Administration of a drug of any kind or description, internally or externally, except for treating a recognized disease or injury, is prohibited. For the purpose of this code, "drug" shall mean any substance commonly used by the medical or veterinary professions that affect the circulatory, respiratory, or central nervous systems of an animal. Only those drugs approved and labeled for use on animals can be administered, and proper dosages and withdrawal times must be observed. Exhibitors own and manage livestock, and are ultimately responsible to see that they follow appropriate and approved practices. In addition, the following practices are prohibited and unethical:

◆The use of any diuretic on any animal.

◆The use of any non-approved substance on animals. Labels should specifically identify which animals have been cleared for the use of such substances and the proper dosage.

◆The use of alcoholic beverages in the feed or administered as a drench.

◆Treating or massaging any part of the body, internally or externally, with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.

◆Minimizing the effects of crampiness by feeding or injecting drugs, depressants, or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.

◆Administration of human tranquilizers to calm down animals.

◆Surgery of any kind performed to change the natural contour or appearance of the animals body, teeth, hide or hair. Not included is the removal of teats or horns, clipping or dressing of hair, and trimming of hooves.

◆Insertion of any foreign material under the skin.

◆Any attempt to change the natural color of any animal, either purebred or crossbred, by changing the color or adding false hair, fleece or skin at any point, spot or area of the animal's body.

**Violations:** Any violation of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the exhibitor or organized groups the exhibitor represents and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion or other disciplinary action of the livestock show committee will be final. Such action will require application for readmission under such terms as the committee may prescribe before the group or individual is allowed to exhibit at future shows. The livestock committee reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above code of ethics.

## 4-H DEPARTMENT

**\*Third Annual 4-H Silent Auction** comprised of “Item for Sale” entries from 4-H members will take place during the fair in the Pavilion. The sale will begin Friday, 6:00 am and continue through Sunday at 2:00 pm. This auction will provide 4-H members enrolled in non-livestock projects an opportunity to display their talents and to earn a return on the items that they have made. In addition, the public has the opportunity to purchase a high quality item made locally by a Sanders County 4-H member.

- **How to Enter in the Silent Auction:** An “Item for Sale” lot is listed in the fair book within the various classes. To participate in the silent auction, a 4-H member will enter his or her item in two lot areas in one class. First enter the item in the lot that describes the item and second enter the item in the “Item for sale” lot. Members will receive two exhibit tags and will attach them both to the item for sale. This entry will be judged along with all other projects, before being displayed in the silent auction. If the item for sale is perishable, please have one for the judging, which will also be displayed in the silent auction, and a second one fresh to give the buyer on Sunday.

**4-H AWARDS PRESENTATION for HOME-EC BUILDING ENTRIES** will be presented to members, who participated in project interviews in the Home-Ec building, beginning Saturday, 6:30 p.m. in the Pavilion following the 4-H Fashion Revue/Patchwork Parade. 4-H members will model garments and display quilts made throughout the past year.

**\*Project Manuals and Member Record Books will NOT be judged!!\***

## Class 20 - Forestry

To exhibit in this category, you must be currently enrolled in one skill level of the forestry project. In order to complete a year in this project and exhibit at the fair, you should have completed a minimum of 6 achievement program activities during the year.

If leaves, stems or bark are to be exhibited, they should be identified with a label near the object on the same page. These labels should have (1) the proper common name; (2) location (city and/or county) where collected; and (3) date (day, month, year) collected. When exhibiting after more than one year in the project, group specimens by year collected.

Educational displays may consist of groupings of leaves, bark, stems, or be related to any aspect of forestry. Displays should be presented in a clear, concise and interesting manner. The purpose of educational displays is to learn more about the importance of forest ecosystems and forest life.

### **Unit 1, Follow the Path (6010)**

Lot 1 - Exhibit at least 5 different dried leaves/needles from either coniferous and deciduous trees living in Montana collected during the year—mounted, labeled and identified according to species.

Lot 2 - Exhibit a minimum of 5 native Montana trees showing leaf, twig and fruit from each species.

Lot 3 - Poster or educational display relating to some activity in Unit 1 (for example, estimating tree age by rings, parts of a tree, drawing of a root system, forest habitats, forest recreation or others).

Lot 4 - Journal record showing where 10 different leaves/trees are located and the date you found them.

Lot 5 - A photo story of a visit to a state forest or other forest ecosystem.

Lot 6 - A leaf chain or dried leaf collage

Lot 7 - Plant in a clear jar showing the root system of a tree seedling.
