Montana State University
FREE Vanpool Pilot Program

Is a vanpool for you?

- Do you commute from the Livingston, Manhattan, or Three Forks areas to MSU?
- Do you want to save money?
- Do you want to relax on your commute to work?

How will vanpools at MSU work?

- Four to seven people will meet at a central location and travel together in a van to work.
- The driving responsibility will be shared amongst interested vanpool participants.
- MSU is using Rideshare by Enterprise to pilot a vanpool program, which includes:
  - A late-model, fully-equipped vanpool vehicle;
  - Vehicle insurance and fuel;
  - Full vehicle maintenance and roadside assistance.
- Vanpools will be free to participants during the pilot period.

Why not try it? It’s FREE!
