- **Freshmen Students**
  - **To register for fall courses:** New Freshmen are required to attend a formal Orientation program in order to register for fall courses. There are four programs to choose from on **June 12-14, June 26-28, July 10-12 or August 23-25.**
  - To attend Orientation, register for one of these Orientation programs online by going to your Undergraduate Admissions Checklist (for instructions see the Summer School New Student Checklist on back). You will receive a confirmation letter with check-in times and locations once you have registered.
- **Transfer Students**
  - **To register for fall courses:** If you intend on taking fall semester courses at MSU, you must attend an Orientation to register for your classes. There are two options for Transfer Student Orientation.
    - **Option 1:** Set up an appointment with an academic advisor in your department (see list below) between Monday, April 17 and Friday, August 18.
    - **Option 2:** If you have not met with your department by Friday, August 18, you will need to attend the official Transfer Student Orientation on Tuesday, August 22.
  - Register for either Transfer Student Orientation option by going to your online Undergraduate Admissions Checklist (for instructions see the Summer School New Student Checklist on back).
