1. **Wear a Helmet.**
   Protect your skull and the brain inside it.

2. **Yield to Pedestrians.**
   They have the right of way. If you must pass, politely exclaim, “On your right/left!”

3. **Slow your roll.**
   You can bike most places on campus, but slowly!

4. **Be predictable.**
   Use hand signals and your voice when biking.

5. **Follow all traffic regs.**
   Section 61-807 of Montana Codes requires that you obey all of the same rules as vehicles.

6. **Register with UPD.**
   Register your bike for free with UPD and if it gets stolen or locked up, they will assist you.

7. **Light up your bike.**
   Per Montana Statute, bikes must be equipped with a light on the front and back, visible by 500 ft.

8. **Look and listen.**
   Don’t wear headphones, and always stay alert.

9. **Watch out.**
   Unpredictable drivers, turning cars, potholes, open car doors, wet asphalt, and many other things can be a huge hazard to bikers.

10. **Walk at X-ings.**
    Across crosswalks, you must dismount your bike.

**WHERE TO TURN FOR MORE INFORMATION:**

- **BABAB**
  The Bozeman Area Bicycle Advisory Board (BABAB) is a citizen advisory board to the City Commission regarding bicycle-related issues. BABAB meets the first Wednesday of every month at 6:00 pm in the City Commission room at City Hall, 121 North Rouse in Bozeman, MT.

- **NECO**
  The Network of Environmentally Conscious Organizations, is an on campus student group that promotes sustainability. If you have any ideas for bikes on campus, or just want to join the coolest club, come to our meetings! 6:00 pm, Tuesdays, in the SUB lounge next to First Interstate Bank.

- **UPD**
  The mission of the Montana State University Police Department is to provide MSU’s students, employees, and visitors a safe and secure environment for living and learning. This includes biking, so look up their full biking registration and regulations.

- **Montana State Sustainability**
  The MSU Office of Sustainability is here to implement student and administration ideas for sustainability here at Montana State. This includes working with facilities, rec sports, and many other outlets in order to create a more environmentally conscience MSU. We made this pamphlet and would love your input.
