STUDENT SUPPORT SERVICES

It's Tuesday and Breakfast Is Served!

TRiO breakfast is back, and this year we are alternating between Tuesday and Wednesday mornings so we don't favor some over others. We will be working with a dietic intern who will help us with our menus and will be here to talk with us about good nutrition — on a budget, that's fast, delicious, and easy to make!

Come on over! Reid Hall, Room 314.

WEDNESDAY NITE AT THE REC CENTER

There are two nights this semester that we will have TRiO Community Night at the Rec Center in the SUB (the Bowling Alley in the basement). Bring your friends and family members and enjoy fried or rotisserie chicken dinner from The Roost.

We have several bowling lanes and pool tables reserved just for TRiO, and board games for all ages. We have some a new challenging games to try out, too!

Join us from 5 to 7:30 pm at the Rec Center!

Schedule your Advising Appointments

If you haven't yet booked advising appointments, call or come by and let's get you set up for regular advising with Dr. Megkian Doyle. With regular check-ins, you can sometimes prevent the bumps that badly hurt during a fast-paced semester.

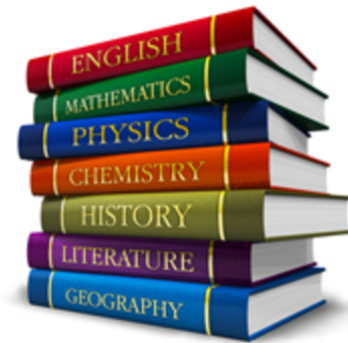

Call 994-7474 or email doyle@montana.edu to book.

Research Opportunitis with the McNair Scholars Program

On Wednesday, September 14 at 10 am, in SUB 233, Dr. Shelly Hogan will present an overview of the McNair Scholars Program. McNair is another branch of the TRiO program and supports research by undergrads who want to go on to graduate school. There's more information [here](#).

Book Scholarships for Native American Students

This Montana program is one that Megkian Doyle has used before, and it pays up to **\$300 per semester towards books**. The link to the application is [here](#). The application is required only once, and Megkian can help you fill it out if you need that. Every semester, you will have to submit your transcript, receipts for books you bought, and your schedule. Let this program work for you! You can fill out the application any time, and if you do it now you can get money from the books you bought this fall.

Smarty Cats Tutoring

Don't forget to book your **FREE** Smarty Cats tutoring sessions! Sign up for as many classes as you can and go consistently whether you feel like you are struggling or not. Here's a little fact you may not know: our 4.0 TRiO scholars go to tutoring.

Therefore, we have deduced that going to tutoring is a sign of superior intelligence! You will see a \$0.00 balance on your account, but you can schedule tutoring anyway. Your account has been enabled to charge tutoring without paying. If you are unable to book tutoring appointments, please contact the TRiO office right away 994-7474.

We do give awards for students who are champions at utilizing tutoring so join the competition!
