STUDENT SUPPORT SERVICES

To the 2018-2019 Academic Year

We are happy to welcome many new TRIO scholars this semester. Our office on the third floor of Reid Hall is open every day of the week from 8 am to 5 pm, including some days when classes are not in session.

TRIO Breakfast Begin Wednesday

Every week we host breakfast in our office from 8:30 to 11:30 am. You can see the dates on D2L as we alternate between Tuesday and Wednesday.

Drop by tomorrow and see what's on the menu.

On days that we have breakfast, the Conference Room down that hall (Reid Rm. 330) is reserved for those who would like to study. It's a very comfortable, spacious room, so take advantage of that!

As a "Mentee" in the mentoring program, you and your mentor receive \$20 per week to share a meal and one-on-one conversation together on campus.

The *Empower Peer Mentoring Program* is a terrific way to get to know your community, build a supportive network of peers in your fields, and access opportunities for scholarships, paid research experiences, academic help, internships, career development, and more!

If you are a sophomore, junior or senior "STEM" major, please invite a new STEM student to come with you! **All Mentors** (sophomores, juniors, seniors) **are eligible for a \$160 bonus** per semester, totaling \$320 for academic year.
