

USP Student Research Grant Budget Worksheet

Instructions: Enter estimates for all expenses directly related to your research project. Include funds requested from USP, support from your mentor, and funding from other sources - including out-of-pocket. Enter only expenses directly related to your project. Be as specific as you can in the space provided. You may combine related budget items on a single line. If you do not anticipate expenses in a category, leave it blank. Any funds that are not budgeted for specific expenses are yours to keep as a USP research stipend. **Required fields are highlighted in RED.**
