

Granite Health & Fitness Corporate Partnership Program

Greetings from Granite Health & Fitness! As a locally owned business, we try to promote healthy lifestyles throughout our community. To do this, we are pleased to announce Granite H&F has recently partnered with your business to extend a discounted rate to your employees and their families. Corporate partnerships require just six memberships and include great joining promotions as well as monthly discounts.

Granite Health & Fitness has a lot to offer! In addition to our weight room, swimming pool, gymnasium and full range of cardiovascular equipment, we have a huge variety of classes with our nationally-certified instructors. Need some one-on-one motivation? We boast a full staff of nationally-certified trainers to help you reach your fitness goals. We also offer swim lessons and youth programs for the little ones!

Interested in looking over our schedules? All of our class schedules and descriptions are available on our website, www.granitebillings.com, or just stop by our facility to take a tour. Whether it's playing basketball in our full-sized court, relaxing in one of our saunas or steam rooms, or anything in between, at Granite Health & Fitness, we have something for everyone!
