This assignment consists of an individual component and a team component. For the individual component, please complete the peer evaluation form located below, and turn in to Dr. Schell. Electronic or hardcopy is acceptable. Please treat as confidential, and please be frank and honest.

For the team component, complete the following:

• Review your Statement of Work,
• Assess as a group whether your team is on track to complete the project scope and objectives contained therein,
• Decide on corrective actions as needed,
• Evaluate as a group your team dynamics using your team norms as a framework,
• Identify specific improvements you will make to improve teamwork performance, and
• Summarize your team’s discussion in a 1 – 2 page memo to Dr. Schell.

The assignment must be completed by 5:00 p.m. on March 23.
