SUMMER TRANSPORTATION CAMP
AT MONTANA STATE UNIVERSITY

2017

Learn what it takes to keep our nation moving through field trips, experiments, team projects and more. Sign up for this unique, fun and challenging experience!

The Summer Transportation Camp is an opportunity for Montana high school students to prepare for college and to learn about careers in transportation. Camp participants will live in the dormitories on MSU campus during the two-week program that runs from July 16-28, 2017.

All room and board expenses are covered.

Priority Consideration Given to Applications Received by March 30, 2017
