The Associated Students of Montana State University (ASMSU) is a volunteer, non-profit, service oriented student government organization of which you are a member if you pay the student activity fee. Its mission is to enhance the overall educational experience of students by providing leadership and employment opportunities for students and to provide diverse non-academic programs and services. ASMSU Senators are not compensated, except for President Pro Tempore and Assistant Pro Tempore. I certify that I am a currently registered MSU student taking 7 or more credits. I will notify ASMSU immediately if there is a change in my student status.
