ABOUT THE SPEAKER: ROMI NEUSTADT

Photo by Doug Loneman

Romi Neustadt is a Montana native who left Big Sky Country after high school to receive a B.A. in Journalism and Political Science, followed by a J.D. from the University of Virginia School of Law. She practiced business litigation in Dallas before moving to New York City to begin a 12-year, award-winning career as a public relations executive in large agencies on both coasts. In 2005, Romi returned to Montana, settling in Bozeman with her husband John and a very pregnant belly. She served as Vice President of Strategicom (now known as Flying Horse), the Director of Communications for the Montana Meth Project, and then the owner of her own PR consultancy, Strategy Maven Inc.

Just under two years ago, Romi traded in her PR career to bring Rodan + Fields Dermatologists to Montana and beyond, leading the fastest-growing team in the company. In 2010, she was named R+F's Top Recruiter and Body in Motion Award winner, and is a top consultant for the organization. She's proudest of being mom to Nate (5) and Bebe (2) and wife of Dr. John Neustadt. With an excellent professional career behind her, a successful future ahead, an expert in the power of networking, and all while staying grounded and balancing family, this will be a presentation you will not want to miss!
