Graduation Application Instructions:

Student must submit an *Additional Concentration Application* **one year** prior to expected term of graduation.

Application Deadlines:

May 1: for Spring/Summer graduation

December 1: for Fall graduation

Form can be found online at www.montana.edu/registrar - under "Departmental Forms" or in hard copy from the College of Business Office of Student Services in 338 Reid.

What it means to earn a 2nd option/concentration:

You are not earning a second degree. Completion of the coursework listed above will result in an additional concentration. This will be reported on your transcript as a note under the term of completion. Additional concentration students are not eligible to participate in commencement, because they are not earning a degree.
