

Montana Family Business of the Year

Application Please Type

1

Give a brief history of your family business and how each generation has contributed to its success:

Describe how the company started (i.e.: grandparents came to this country, etc.), history of the business from inception to present, adversities the family overcame to perpetuate the business (fire, weather, change in technology, etc.), which family members are involved at the present time, and the families plans for future generational involvement in the business.
