Conducting interviews on October 2nd

Majors: All majors. Internships for all majors in Bozeman and in MT.

Profile: There's no better place to start something big. But don't just take our word for it. BusinessWeek Magazine just named Enterprise to its list of the "Best Places to Launch a Career" for the third year in a row. How's that for some recognition? If you're ready to join a \$10 billion company who's about to do something even bigger, take the next step right now. Regardless of college major or professional experience, nearly 100% of our full-time employees start out in our Management Training Program. This allows everyone to learn our business from the ground up and understand how they play a significant role in seeing it succeed. During your first year, you will actively participate in everything from sales and marketing and customer service to operations and finance. As you progress, you will be tested and evaluated to determine your proficiency in these areas. Successful completion of these tests and evaluations will result in rewards, pay increases and the opportunity for continued promotions. As a Management Trainee, you are empowered to make business decisions that greatly affect your career as well as the bottom line. You'll gain responsibility for developing new business and maintaining current relationships. You'll be responsible for understanding cost control, reading your branch's P&L statement and understanding what it takes to run a profitable business. You will also learn how to deliver superior customer service. We will teach you how to effectively communicate, influence and interact with all types of customers, vendors and co-workers. You'll learn proper sales techniques to problem solving and conflict management. Those skills will provide you with the opportunity to market to local business partners and build solid, long-lasting relationships with key business decision-makers. In your development to become a successful manager at Enterprise, you'll learn how to mentor, train, develop, manage and promote a staff of your own.

State Farm Insurance

Tualatin, OR

State Farm Insurance and Financial Services is ranked No.31 on the Fortune 500 list of largest companies. We are not a stock company, we are owned by our policyholders. All of our business decisions are based on what is in the best interest of our policyholders. Ethics and integrity are a core value and only those individuals who place the highest value on integrity should apply for our opportunities. State Farm insures more cars and homes than any other insurer in the U.S., State Farm's 17,000 agents and 68,000 employees serve 80 million policies and accounts - more than 78 million auto, fire, life and health policies in the United States and Canada, and more than 1.9 million bank accounts (State Farm Bank, est. 1996). 391 State Farm claim offices serve policyholders companywide. 30,600 employees -- almost half of State Farm's work force -- deal with claims in some fashion. Claim employees assist customers who have damage to property and/or personal injuries or pay others to whom they are responsible for causing damage. We are interested in all majors; cumulative GPA of 3.0+ is preferred. We hire individuals based on character traits. If you are seeking a challenging career, are self motivated, confident, a good communicator and a leader then you should apply with State Farm. Although we have sales opportunities, those are "entrepreneurial" where an individual owns their own business selling State Farm products and services. We are specifically recruiting at the colleges and universities for individuals to work in our company. The typical entry point into State Farm is in Claims Investigation and Risk Analysis (Underwriting). One you are on board we post our job opportunities internally so our employees can seek career paths that utilize their strengths and talents.

Management Development Program

Buckle's one-year Management Development Program is your pathway to accelerated career growth. Once selected, you will work directly with an experienced Store Manager who will help you develop the sales, recruiting, merchandising, and leadership skills you need to become a store manager. By the end of this intensive program, you will have a deep understanding of how Buckle's style of retail works and what it takes to excel. As a Management Trainee, you will be given every opportunity for professional growth as you learn from a highly skilled manager who truly cares about your success.

Buckle offers competitive wages, a flexible schedule, and a generous employee discount, as well as an excellent benefits package for our full-time teammates.

Skills Required: Strong communication skills, an outgoing and innovative personality, natural leadership skills, ambitious, and a keen interest in fashion.

Requirements: *Must be willing to relocate.*

Please apply online at www.buckle.jobs.

Sales and Management Internship

It's often said that experience is life's best teacher, and as a Buckle Intern, you'll get exactly that—a challenging, hands-on retail experience. You can earn college credits while being exposed to different areas of our business—from sales and store merchandising to hiring and store operations. By working as a valuable member of the sales team, you'll gain an understanding of how the business works and what it takes to excel. This three to four month position—which can be full or part-time—provides you with the unique opportunity to expand your knowledge of the retail industry and determine whether you'd like to further pursue a career with Buckle in retail management.

Buckle offers competitive wages, a flexible schedule, and a generous employee discount, as well as an excellent benefits package for our full-time teammates.

Skills Required: Excellent communication skills, an interest in fashion, an open-minded, outgoing personality, and enthusiasm.

College juniors or seniors preferred.

NORTHWEST POWER NORTHWEST VALUES

THE BONNEVILLE POWER ADMINISTRATION

A FEDERAL AGENCY WITH A NORTHWEST FOCUS

.....Picture wide open spaces, majestic mountains, roaring rivers, crystal clear lakes, abundant wildlife, friendly hospitable people and an aura of history and adventure. This all awaits you in the great Pacific Northwest! Whether you like snowboarding, scuba diving, windsurfing, fishing, hunting, theatre, professional sports, collecting, or shopping, it's all right here.

Now a little about Bonneville Power Administration, who are we? BPA is a unique Federal electric utility within the US Department of Energy. Established in 1937, we have been charged with providing electric power, transmission, and energy services in increasingly competitive markets to the Pacific Northwest. BPA's power grid is one of the worlds largest, with more than 15,000 circuit miles of power lines and about 400 substations. The power comes primarily from 31 federal dams located in the Columbia-Snake River Basin. BPA is considered a world leader in transmission technology and has over 3000 employees in Oregon, Washington, Idaho, and western Montana.

Our success in the marketplace supports the achievement of our vital responsibilities for fish and wildlife, energy conservation, renewable resources, and low-cost power. We succeed by satisfying our customers and enhancing the economic and environmental health of the region. We will remain the least-cost producer and a creative and flexible marketer in the region. Our success will help ensure the economic strength of Pacific Northwest communities.

We value the individual diversity, entrepreneurial spirit, personal responsibility, and public service of our employees. We welcome new ideas and are accessible to the citizens of the Pacific Northwest.

CAREER OPPORTUNITIES

Positions at BPA vary and encompass a wide variety of occupations including engineering, finance, power schedulers, economists, accountants, auditors, energy efficiency representatives, public affairs specialists, human resources, contract specialists, financial analysts, IT specialists, electricians, linemen, craftsmen, and substation operators.

We encourage students graduating this school year to visit our Employment Page where our current vacancies and application instructions are posted. Vacancies are updated daily and reflect the range of meaningful and challenging career opportunities available.

STUDENT OPPORTUNITIES

BPA has an active student employment program, hiring over seventy students last summer. Most of our new students begin in our temporary hiring program. Some are asked to stay with us in our cooperative education program, which may lead to a permanent position upon graduation.

To apply, please send your resume via e-mail in a Word document to students@bpa.gov Include the following information directly on your resume: name of school, expected graduation date, grade point average, and whether or not you are a US citizen.
