## Figuring GPAs

Overall, Teaching Major and Teaching Minor GPAs are located on your Degree Works form and will not be final until degree completion.

A GPA calculator is available on the Education Advising Center's website on the "forms" link. If you have transfer credits in your teaching major or teaching minor, you will need to calculate your GPA manually.

## Background Check

Background Check Submitted to the Field Placement & Licensure Office:      Yes      No

Students should have completed a background check during their freshman year. Any changes must be disclosed to the Field Placement & Licensure Office.

I have read, understood, and agreed to follow the [Professional Competencies and Dispositions for Professional Educators](#):
