

Montana State University Federal Stafford Loan Preferred Lender List

We encourage you to use one of the lenders below, as your loan will be processed and delivered by the Montana Guaranteed Student Loan Program (MGS LP) to the school using electronic funds transfer (EFT). **Delivery of funds will be delayed if you do not use a lender on this list, and additional origination fees may be applied.**

Interest rates are identical for all federal student loan lenders. However, if you are choosing a new lender or borrowing for the first time, we encourage you to review the additional borrower benefits the lenders provide.

We Highly recommend the lenders in this box because the loans are disbursed and serviced in Montana by Student Assistance Foundation. These lenders offer a no origination fee loan called Montana's Choice™; however, your loan check will still be reduced by the 1% guarantee fee. You can find out more about Montana's Choice Student Loans by calling 1-800-852-2761 ext. 6657, or by visiting the Student Assistance Foundation office in the SUB for personal service.
