Federal Stafford Loan Lender List

ALL first-time borrowers must: 1) pick a lender, 2) sign a Stafford Master Promissory Note (MPN), and 3) complete Loan Entrance Counseling. Your Stafford Loan requirements can be completed electronically at the following Web site:
www.montana.edu/wwwfa.

We recommend the lenders listed below because they use the Montana Guaranteed Student Loan Program (MGSLP) to process and transmit their loans electronically, which results in an accelerated delivery of funds.

Please note that you have a choice of any lender that participates in the Federal Family Education Loan Program (including lenders that are not listed below). Interest rates are identical among all federal student loan lenders. Additional borrower benefit information for the lenders on this list can be compared by visiting our Web site:
www.montana.edu/wwwfa.
