

CORE 2.0

The mission of CORE 2.0 is to enhance students' use of multiple perspectives in making informed critical and ethical judgments in their personal, public and professional lives.

Foundation: Students learn to think, speak and write effectively; evaluate the oral and written expression of others; and use complex knowledge in making decisions and judgments.

Inquiry: Students are introduced to the methods used to discover and create the factual and theoretical knowledge of the discipline.

Research: Students experience the process of research or creative activity as a unique intellectual practice leading to a scholarly or artistic product.

Foundation Courses	Course Number
