Seeking \$ from a state, federal, or county agency (NSF, Montana State Department of Agriculture, etc.)?

YES

Office of Sponsored Programs
 309 Montana Hall
 994-2381

NO

- Does it involve a contract?
- Does the agency sponsor “research”?
- Return benefit or deliverable expected by agency?
- Obligated MSU financial commitment or liability?

**YES
 (to any of these)**

NO

If your proposal does not meet any of the criteria listed above (typically falling under the “gift” umbrella), then you should probably look to the MSU Foundation for assistance. The MSU Foundation oversees donative requests to corporations, corporate and private foundations, and individuals. The MSU Foundation involvement is usually limited to proposals requesting support in the form of endowments and other support for program development, faculty development, capital construction, scholarships and other similar activity.
