WWTFF!

Women & Their Future Film Series

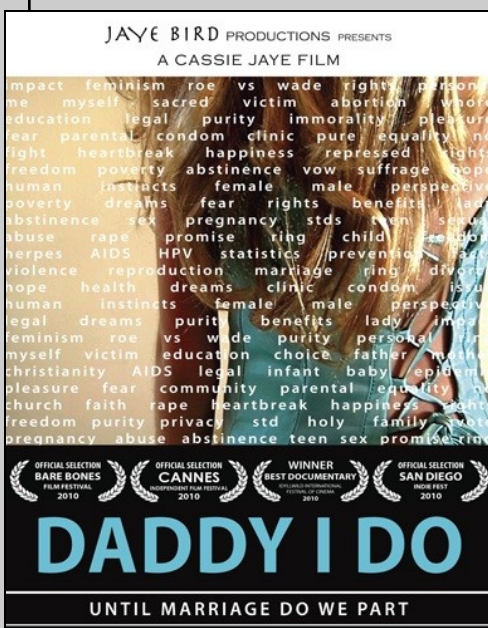

March 9th @ 7pm
Procrastinator

The abortion battle continues to rage in unexpected ways on one corner in an American city.

March 23rd @ 7pm
Procrastinator

Revealed! A drug company's fevered race to develop the first FDA-approved Viagra for women - and offers a humorous but sobering look inside the cash-fueled pharmaceutical industry.

April 6th @ 7pm
Procrastinator

The Purity Ball symbolizes a father's protection over his daughter's virginity, but how does this reflect in the choices she makes, understanding her sexuality, and valuing her worth as a woman?

Each film will be followed by a discussion panel
