You have the fantastic opportunity to serve as an intern with Montana Senator Jon Tester
http://www.tester.senate.gov/?p=internships or U.S. Senator Steve Daines in Washington, DC.
http://www.daines.senate.gov/serving-you/for-students/internships

As an intern with the Montana Senators you will experience, and perhaps even influence real-world policy making. Please visit the links above to see how to apply and information about their specific internships. Interns have an opportunity to participate in three areas of operation: legislative, administrative, and press. Interns are assigned specific legislative topics and assist with all office operations, as necessary. As an intern's contributions to the office are important, a responsible commitment, willingness to work hard, and a positive attitude are essential to the success of an intern's experience. In addition, you will be able to visit as many museums, monuments, historical sites, plays, concerts, and restaurants as you have energy for! Not only will this be a rewarding professional and personal experience, but it will look great on your resume.

The internship is full-time for the spring, summer or fall semester. The internship is not paid, but the Jake Jabs College of Business & Entrepreneurship (JJCBE) is offering a scholarship for $1,500 to a JJCBE student to help defray living expenses while in Washington, D.C.

Students of all majors are welcome to apply for the internship, but only JJCBE students are eligible for a Bracken Washington, D.C. Internship Scholarship. To be eligible for a scholarship, you must meet the following criteria for undergraduate students:

- Formal admission to the JJCBE by the time you depart for the internship;
- Strong academic performance at MSU and the JJCBE (typically at least a 3.0 GPA);
- Strong justification for participating in the internship;
- Acceptance as an intern by the Montana Senator’s office.

This scholarship will come in the form of tuition credit. Receipt of this scholarship may affect your financial aid. Please check with the Financial Aid Office on the implications for your status of accepting this scholarship.

Information about how to apply for the internship is available from Chantelle Mahan in The Bracken Center, Jabs Hall 108. An application for the scholarship is on the reverse of this form.
