Dear President Cruzado:

Enclosed is the NAACLS Board of Directors' official accreditation award for your Medical Laboratory Scientist program from the April 9, 2015 meeting.

The Board of Directors' award is based on the continuing accreditation review process that included a site visit of your program during fall of 2014.

Accreditation for your program will continue until April 30, 2022. As a result, your program will commence renewal of accreditation with submission of the Self-Study Report on April 1, 2021 and the scheduling of a site visit during fall of 2021. We provide this information to assist you in your program's administrative and financial planning.

This letter and the accompanying award represent formal accreditation by NAACLS. The NAACLS Certificate of Accreditation will be forwarded to the Program Director.

Sincerely,

A handwritten signature in black ink, appearing to read "Fred H. Rodriguez, MD". The signature is written in a cursive style.
