Math Levels 100-300

1) BGEN 104US (3 credits)

Fall 2025 Class List

Math Levels 400-500

1) BGEN 104US (3 credits)

Math Placement Level

- Indicates your current math knowledge
- We'll check your math placement individually
- Please take out your RAWR!
 - Look at your math level

Registration and Advising Written Report (RAWR)

Name _____ ID: _____

College: College of Agriculture *Group:* New First Time
Dept: Agricultural Econ & Econ *NetID:* _____
Major: Agricultural Business To set netid password go to: password.montana.edu
Concentration: Agribusiness Management

Orientation Housing Assignment Cooper, Hailey
Room Assignment: Lng 102-A
Orientation Leader: TAYLOR B (Lang 101-A)

Course Placement
Students are placed into math and writing based on: ACT or SAT scores, college-level credit that has been evaluated and transcribed by MSU, or through the writing placement/math placement assessments. Students without placement must complete placement during Orientation. During your advising meeting, your academic advisor will discuss the appropriate math or writing courses to take based on your placement.

Writing Status: You are eligible to enroll in ... WRIT 101W

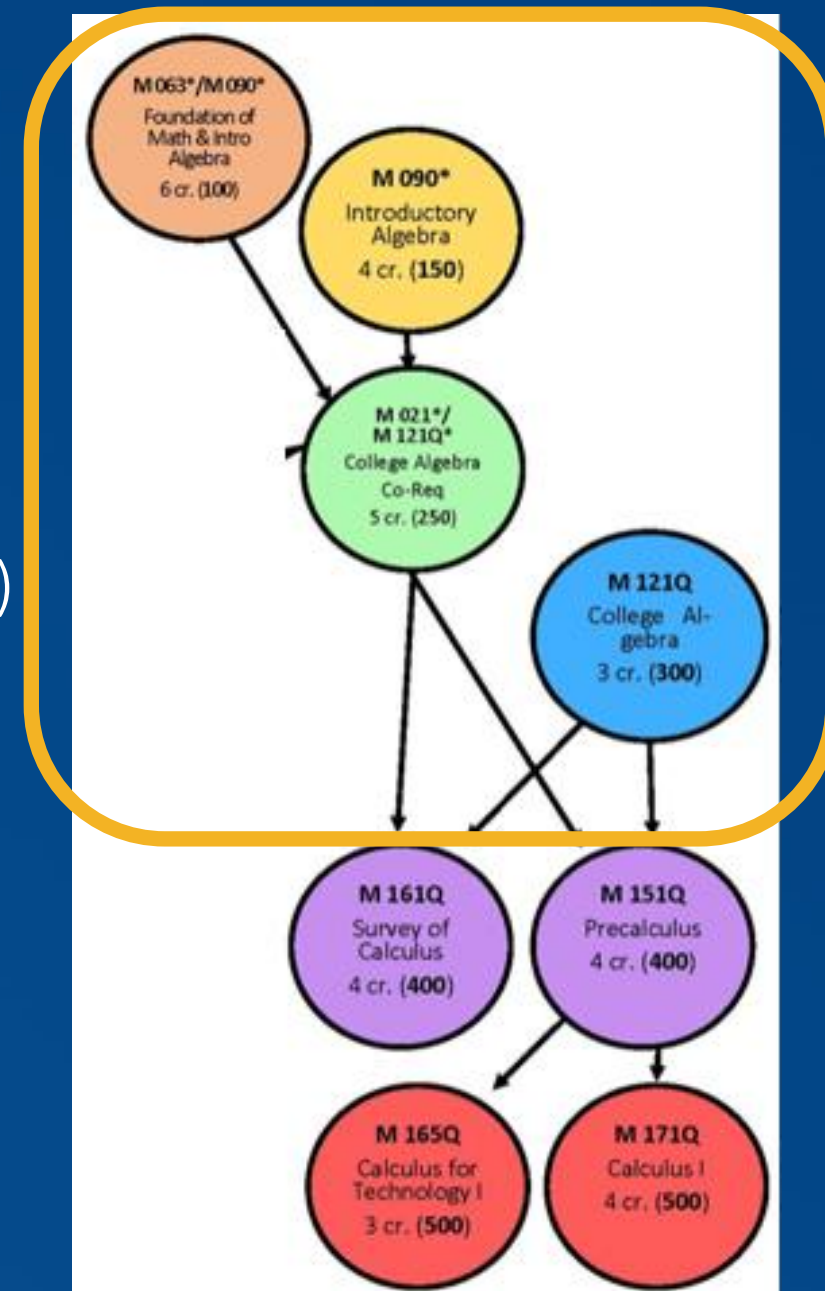

Math Level: You are eligible to enroll in ... M 105Q or STAT 216Q or M 121Q or M 132

Composite Scores
Max Composite ACT:
Max Composite SAT: 1170
HS GPA (If Reported): 4.00

College Credit
If you have incoming college-level credit, please have official transcripts or test results sent directly from the awarding institution and/or testing agency to the Office of Admissions at MSU. You will have the opportunity to discuss your incoming college-level credit with an Academic Advisor during Orientation.

Math Level 100-300

- You will take math your first semester at MSU!
- First course that's just right
 - Then work your way through M 121Q (or higher if desired)
- EdReady Study Pathway
 - Raise your math placement
 - Deadline: August 19th
 - Ideally by August 10th for the best option of a better schedule
 - Contact us when complete to update your schedule

Fall 2025 Class List

Math Levels 100-300

1) BGEN 104US (3 credits)

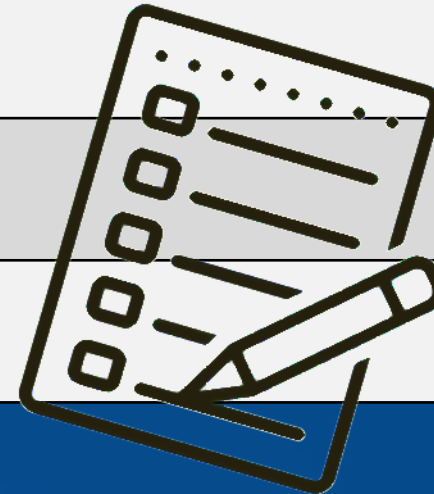

2) **Math** (3-5 credits)

<u>Level 100</u>	<u>Level 150</u>	<u>Level 250</u>	<u>Level 300</u>
M 063 & M 090 (5 credits)	M 090 (4 credits)	M 121Q & M 021 (5 credits)	M 121Q (3 credits)

3)

How Registration Works

Today

build your plan &
have an advisor
lock it

Tonight

we will register you
for classes

Tomorrow

see your schedule
in the computer
labs

What's next?

- Demo making a DegreeWorks plan
- Individual work time to create your plan
- Individual convos with advisors to check & lock plans
- Take a picture of your locked plan for easy reference!

Time to get on your computer!

Open Google Chrome

MSU Orientation Slide Template

This file is a template to help you create your Orientation presentation.

- There are font/color/size guidelines in the speaker notes at the bottom of each slide
 - Do not remove the university logo or change the colors/fonts
- There are different slide options, select which ones meet your needs.
- You can delete subtitles if you don't need them on a particular slide
- Be sure to delete all instructions and generic headings from the slide before your presentation
