Family Education Right to Privacy Act

## Students and FERPA

The Family Educational Right to Privacy Act was designed to protect the privacy of student education records, to establish the right of students to inspect and review your education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. As a student at MSU, you should become familiar with your rights under the Family Educational Right to Privacy Act.

Unless otherwise requested, [directory information](#) may be shared without consent. To avoid the release of directory information, students may submit, in person, a Suppress Directory Information Form to the Office of the Registrar. **Students who have completed a Suppress of Directory Information form must appear in person and provide picture ID to access educational records or receive university services.**
